†Value of Wall's and Ben & Jerry's ice cream at RRP from the ice cream stock vouchers when freezer is purchased online. For the avoidance of doubt, retailers are free to set their own retail prices. Please note that the TH-VT range is not supplied with baskets or dividers - contact Total Refrigeration Ltd for baskets/divider options and prices - and locks are not available. Baskets or dividers are not available for the TH-SP range. The TH-SP range has lockable lids as standard. All freezer purchases made by cheque will receive a £50 stock voucher only.

Unilever Back of House Storage Freezer

Branded back of house ice cream storage freezer

A freezer with solid lockable lids that runs on Hydrocarbon refrigerant - making it a more efficient back of house freezer than ones that run on older types of refrigerants.

57% of all lost ice cream sales occur because of lack of stock
